A Practical Guide to Food Portions for Nigerian Families

Everyday portion guidance using common Nigerian household measures such as cups, bowls, spoons and plates. Portions below are starting points for adults; adjust for age, activity level and individual needs.

Starchy staples

Boiled rice, jollof, yam, garri or fufu: about 1 cup per meal.

Proteins

Beans, fish, eggs, meat or chicken: about one palm-sized portion.

Vegetables and fruits

Amaranth, jute leaves, carrots and pawpaw: at least half a plate.

What else

Drink clean water. Limit sugary drinks, salt and unhealthy fats.
